NOVEMBER 2019

Dear Partner,

If someone asked you today: "What are you thankful for?"  
How would you reply?

Personally, I'm thankful for family, freedom, for our daily bread, for life and health and the opportunity to serve God as manager of LifeTalk Radio.

One of the things I'm most thankful for is the hope we have as Christians. I believe in the second coming of Jesus and I have faith that on that glorious day I will see my daughter again. Thanksgiving season never goes by but that I think about the day we lost our young daughter when a tree fell on her. I'm so thankful that one day Jesus will raise her up and return her to her mother and me.

It's the chance to share this wonderful hope that prompts me to get up every morning to share the good news of a soon coming Savior with thousands of LifeTalk Radio listeners.

Have I ever shared how we love to hear from you? Recently one listener wrote and paraphrased, Psalm 89:15,16 like this:

"How blessed are the people who know the joyful sound [of Christian radio like LifeTalk]! Oh Lord, they walk in the light of your countenance. In Your name they rejoice all the day."

"This gift is given with unending thanks for the ministry LifeTalk Radio has been for us and countless others throughout the world. God's richest blessings and protection over you."

CONNECTING PEOPLE WITH CHRIST

The handwritten note was sent with a very generous gift to help support the ongoing work of LifeTalk Radio. This is another reason I'm thankful today.

Have you heard of the National Day of Giving? It's happening soon, and I encourage you to participate along with me. The National Day of Giving is always the Tuesday after Thanksgiving day, which this year falls on December 3. It's also referred to as #GivingTuesday.

Giving Tuesday is not about the amount, rather it's all about being part of something bigger than yourself. On Giving Tuesday I personally plan to make a donation to each of our sister Media Ministries. I believe in what they are doing, and I desire to be a small part of advancing the Gospel through their endeavors.

Why do I give? Because I've discovered the power of giving. As the Bible says, it is truly more blessed to give than to receive. I praise God that my wife and I have the ability to participate in some small way and I'm thankful that we can give to advance the Gospel. Our gift alone will not make a great difference for any of the media ministries. However, when many people give a little it can make a big difference.

The same is true for LifeTalk Radio, and I invite you to share in the joy of giving and making a difference in the lives of people who hear the good news of salvation on LifeTalk Radio.

Thanksgiving reminds me how the Lord is using you to help support this radio outreach. Without your consistent financial participation, this media ministry would not survive. Because of your faithful support, this year LifeTalk has grown and expanded to reach more people with the Gospel message.

Here's a brief report of what your ongoing support has accomplished so far this year.

- 118 NEW Stations joined the LTR network
- Two NEW Programs for Children have been added
- Thousands of Bible Study Guides, podcasts, and other resources have been shared for free!
- NEW Sharing Cards and NEW Sharing Posters were added to our FREE online resources. They can be found at:

Often when we think of Thanksgiving, we think of food. I recently saw a sign that said, "Give thanks, and eat pie."

And for many across this nation, that sums up the idea of Thanksgiving. After all, what would Thanksgiving be without some pumpkin pie?

But there are many in our world, who have never tasted pumpkin pie. And millions who have very little to be thankful for. On this planet 150,000 individuals die every single day. Nine million die of starvation every year. How many of those die without the knowledge of a risen Savior who is coming back to rescue this planet in rebellion?

At LifeTalk Radio our mission is not to share pumpkin pie with everyone, but rather to share something of much greater importance. We proclaim the good news of the Gospel. And we are thankful that your continued support makes that possible.

To support LifeTalk Radio with a special gift of gratitude, please use the enclosed reply card and return envelope provided. You can also give online at: [lifetalk.net](http://lifetalk.net), or call 800-775- HOPE [4673] during business hours.

Also, please use the back of the enclosed reply card to share your comments, prayer requests, and testimonies of how you or someone you know is blessed by LifeTalk Radio.

Here's an important note: Included with this letter is a poster introducing our NEW Christmas sharing cards. May I ask you to do two things?

First, please place this poster on your church bulletin board to let others know our new FREE sharing cards are available. If you need more posters, you can download a printable PDF file here: <https://lifetalk.net/sharing-cards-poster/>

Secondly, please order some sharing cards for yourself. Keep them handy. You never know when a conversation can lead to a sharing opportunity. As Peter says: "Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have." 1 Peter 3:15 NIV
