Dear Partner,

Once again the holidays are upon us. Aren't you glad these happy celebrations come every year?

As I gathered my family for Thanksgiving dinner, I was reminded of God's goodness. There are so many things I'm grateful for. One of them is LifeTalk Radio and the opportunity to be instrumental in blessing many thousands of listeners.

*"I have been enjoying your programs. It's so inspiring and gives me so much encouragement spiritually... Thank you for your wonderful work."*

—Internet Listener in Tokyo, Japan

*"I listen to LifeTalk every morning from 4:00 a.m. until 7:00 a.m. What a blessing! I stream your programming on my computer while I'm at work. Just want you to know that I appreciate your music and programs."*

—Listener in Goldendale, WA

As I plan my Christmas gifts and my personal year-end donations, I'm also reminded of God's goodness. His faithfulness to me provides for all my needs, just as he has promised. "And my God shall supply all your need according to His riches in glory by Christ Jesus." Philippians 4:19 NKJV

Then as we gather around the table for Christmas dinner, I will be reminded again of the goodness of God in granting us friends and family with whom we celebrate "the Reason for the Season." And as we read the Christmas story, I will be reminded most of all about the goodness of God in sending his Son.

But for many the holidays can be a lonely time. Some people write and tell us how much our programming means during these times. You see, LifeTalk Radio connects people with Christ. And what people need most during the holidays is a relationship with the Christ of Christmas.

*"I listen to your program often at night... I am an inmate at the Correctional Facility. Thank you for the comfort and information your programs afford."*

—Listener in Clifton, TN

*"I don't know what I'd do without your ministry. I listen to LifeTalk Radio all day and you keep me centered and focused on Jesus."* —Listener in Yakima, WA

For most donor-supported ministries the last two months of the year are very critical in terms of income. Many people make their largest donations at the end of the year. It's no different for LifeTalk. We appreciate and depend on your continued support. You might say, December is our greatest "faith" month. We anticipate that God will use you to help us achieve an outstanding financial blessing during this month. Can we count on you for this help in meeting our annual budget?

When I think of how God gave everything when He gave his Son to this fallen world, I'm humbled. It's a Gift you and I can never match. Jesus came to this planet as a baby born in less than favorable circumstances and for what?

"...you shall call his name Jesus, for he will save his people from their sins."

Matthew 1:21 ESV

Isn't that great news? Deliverance from sin! Don't you just want to tell the entire world?

Well you can, by participating with LifeTalk Radio. Currently LifeTalk can be heard by 56% of the world population. That's more than 4.3 BILLION people. And with your financial support, we hope to increase that number. Everyone must hear the good news of the Gospel!

Radio can reach 95% of the world population. It's still the primary source of information for most people on this planet. LifeTalk needs to be on more stations and more networks. The infrastructure is there. We just need more funds to make it happen. Will you help?

Christ came to rescue us from sin. He came to restore what was lost in the Garden of Eden. He came to reclaim us as the children of God. We all have so much more to gain than we can possibly give.

When I think of what I can give, I realize that God wants more than my money. He wants my heart. He asks the same of you. Why not dedicate your heart again to God this Christmas season and thank him for the wonderful Gift of his son, Jesus?

When we give God our heart, we give him everything we have to give. "Do not lay up for yourselves treasures on earth, where moth and rust destroy...but lay up for yourselves treasures in heaven...For where your treasure is, there your heart will be also." Matthew 6:19-21 ESV

All the Christmas gifts I buy my friends and family this year will eventually be figuratively "moth-eaten" or become rusted. Whether a new laptop, a new toy car, a new shiny watch, a new kitchen mixer or even a new leather-bound Bible. Nothing on this earth will last. So this Christmas, I desire to lay up my treasure in heaven. Will you join me?

This holiday season, will you also join me in sharing the good news of LifeTalk Radio? It's so easy with our sharing cards. We've created many beautiful new sharing cards

Jesus said to the people,  
"I am the light of the world. If you follow me,  
you won't be stumbling  
through the darkness, because you will  
have the light that leads to life."

John 8:12 NLT
