Dear Partner,

February 2020

February is known as the month to focus on love. Over the next couple weeks millions will be buying flowers, chocolates and Valentine cards. Why? Because February 14 is the day observed in many countries to celebrate romance, love and affection.

But what is love? Many poems and songs have been written about love. A song broadcast on the radio years ago exclaimed, "What the world needs now is love, sweet love. It's the only thing that there's just too little of."

The lyrics of another song remind us, "Love was when God became a man, locked in time and space, without rank or place... Love was when Jesus walked in history. Lovingly He brought a new life that's free."

Love is important. People crave love. People need love. But what is love? The Bible says that love means being willing to sacrifice one's own life for the benefit of another. "Greater love has no man than this, that a man gives up his life for his friends." John 15:13 BBE

Jesus summed up the Ten Commandments in one word—love. "And you shall love the LORD your God with all your heart, with all your soul, with all your mind, and with all your strength. This is the first commandment. And the second, like it, is this: You shall love your neighbor as yourself. There is no other commandment greater than these." Mark 12:30-31 NKJV

Greater love has no man than this, that a man gives up his life for his friends.

John 15:13 BBE

How do you show love to others? Do you give them things? Do you share of yourself and your time? Do you give them your attention and listen? Or do you tell them about Jesus? There are many ways to show your love and share God's love.

At LifeTalk Radio we are all about sharing the love of God with others. Our goal is to broadcast a message of love and hope. What people hear can change their hearts and minds. What they hear can help them discover true Love. What they hear can pave the way for the Holy Spirit to convince and convict and bring repentance and conversion.

We get letters describing how someone's life has been changed because they have listened to LifeTalk Radio. They heard a message of love and hope. They listened to the voice of the Holy Spirit. They decided to follow Jesus.

"LifeTalk Radio is making a difference. I'd be lost without it! LTR is a godsend in our community. Neighbors tell me they listen every night and believe the Bible teachings they hear on LifeTalk." — Listener in Minnesota

Jesus also encouraged us to put our treasure in heaven. That means giving to God in a way that helps share His love with others.

Giving to LifeTalk Radio helps others learn about Christ and His love. Our motto is: "Connecting People With Christ." That's why LifeTalk Radio exists.

Many people on this planet don't know that God loves them. And it's true, what the world needs now is love—the sweet love of Jesus. **You can help make that happen.** Would you help us share the love of Jesus with those who desperately need to know His love? Just use the enclosed reply card and envelope. Or simply give online at: LifeTalk.net and click the "donate" button. All gifts, large and small, will help us broadcast God's love to others.
