Connecting You With Christ

OCTOBER 2020

Dear Partner,

Twice each year the LifeTalk Radio executive board meets to check on the progress of this media ministry. As with many organizations these days, this time we met via online video chat. We just had our fall board meeting and I'm happy to report that LifeTalk Radio is stable.

Many organizations are facing challenges and financial difficulties due to the pandemic. But I'm thankful that LifeTalk Radio is still expanding and that we continue to add new affiliate stations.

Your radio ministry is financially sound, although our treasurer did report that donations are lagging behind our budget. We know that some of our listeners and supporters are experiencing difficult times and financial challenges. But each gift, no matter how small, is a blessing to both the giver and the receiver. Thank you for your faithful support to keep LifeTalk Radio on the air.

When you give to this media ministry, you become part of a global witness, connecting people with Christ. I urge you to give so that you will feel the blessing of being part of this outreach. And I'm convinced that whatever you give, God will replenish you in multiple ways.

I'm excited about our significant accomplishment recently—the launch of our dedicated streaming web site for children: LifeTalkKids.net. Have you gone online to discover this great resource? I urge you to check it out.

Would you help us by sharing this new resource for kids with everyone you know, please? It's easy with our new sharing cards. Both printed cards and digital eCards are available FREE. You can also send all kinds of cards: say "thank you" or "get well" or encourage someone with a Scripture card. We've created these great cards for you to use and share.

Visit LifeTalk.net/eCards and discover just how easy and simple it is to send a beautiful card to your friends and family. Visit LifeTalk.net/sharing-cards to order printed cards that you can hand to friends or include with your letters and mail. Sharing your faith is easy with either method. Please help get the word out that LifeTalkKids.net offers fun, uplifting, educational and Bible-based programs that help to establish good moral values in our children.

 **Listen Now**

The printed sharing cards are perfect to pass out at Halloween. My son is excited about sharing them with his friends. With the pandemic things might not be the usual rush on your street. But still this season provides a fantastic opportunity to hand others a small card and invite them to listen to LifeTalkKids.net.

Along with the new kids web site, we are busy creating a new LifeTalk mobile app for Apple and Android. That release is just around the corner. And it's another project for which we need funding. So your gift at this time would truly help.

As you are reading this, LifeTalk Radio is airing a new seminar called, *Answers in Prophecy*, presented by Pastor John Bradshaw. This timely series is broadcast from October 9 through October 21 at 8 pm Eastern time, every Friday, Saturday, Sunday, Tuesday and Wednesday. Don't miss this dynamic seminar and be sure to invite your friends to listen.

This year, America has been frantically navigating one crisis after another—chaos, riots, a super virus, natural disasters, and financial despair. For some it may feel like the end of the world. And right now this country stands on the brink of a volatile election. *Answers in Prophecy* will address these issues and more and present Biblical answers to the problems of today. Listeners will also discover hope for tomorrow.

Speaking of today's world, I'm sure you will want to join me in praying for our nation during this election year. Please pray for God to direct the lives of all His children during these challenging times. And please pray for LifeTalk Radio that it may continue to be a blessing to many around the world. Thank you so much for your continued prayers and your ongoing support.

God bless you,

John Geli
Manager/Director LifeTalk Radio
