Connecting You With Christ

November 2022

Dear Partner,

Happy Thanksgiving!

"Give thanks to the Lord, for he is good; his love endures forever." Psalms 107:1 NIV

We hope this letter finds you anticipating the holiday season with JOY. We are grateful to be able to connect with you and hope the LifeTalk ministry is a positive force in your life.

What are YOU thankful for? Think about it for a moment. Then please write and tell us by using the handy reply card and return envelope. Since it's the Thanksgiving season, I want to pass on some of the encouraging words and sentiments of thanks we receive in our office. I so greatly appreciate what our listeners share with us. Here is what they have written. From Georgia: *"Thank you for providing a spiritual atmosphere in my home daily."*

From Missouri: *"Listening to LifeTalk Radio is helping me feel enlightened, encouraged, empowered and loved."* From Nebraska: *"As I listen to your programs, I always find answers to my prayers and questions. Thank you for all you do."* From Idaho: *"LifeTalk Radio has been such a blessing to me! I love the programs and I love the peaceful music at night. Thank you so much for what you do!"*

Truly, we live in challenging times. We witness ongoing natural disasters which result in loss of lives and property—many are left homeless and have to totally rebuild their lives. We witness the continued evils of conflict and war as nations around this world fight for supremacy. And although the pandemic is mostly behind us, the after effects linger on for many individuals and families. These "signs of our time" undoubtedly make us long for heaven and our final home.

THREE DECADES

LifeTalk Radio has been broadcasting the Good News of the Gospel for thirty years. We praise God for his faithfulness and thank you for your continued support and prayers. LifeTalk is connecting people with Christ. This story is from Yakima, WA where LifeTalk began: *"This station basically saved me! LifeTalk helped to grow my relationship with God. And as a new Christian, I learned so much from LifeTalk. It helped me to understand the Bible better and kept me focused on the church. I LOVE the programming on LifeTalk! And the music calms me."*

Pain, loss, suffering, disease and death still dominate much of this planet in rebellion. However, this is the season to focus on an "attitude of gratitude." So although everyone faces challenges at times, we hope each one can find something to be thankful for. We are admonished in the Bible to: "Be thankful in all circumstances." 1 Thessalonians 5:18 GNT

First off, we are thankful for God's continued blessings including the air we breathe and His life-giving power that sustains this planet and each life. We are thankful this year LifeTalk Radio is celebrating 30 years of radio ministry. We are thankful that LifeTalk now has THREE 24/7 radio broadcast channels including one especially for children, LifeTalkKids.net and another dedicated solely for music, LifeTalkMusic.net.

LifeTalk Music is already making a big impact. One listener from Oregon tells us: "I like your new music station. Thank you for providing this option."

Kids everywhere are being influenced in a positive way through the character-building programs and Bible-based stories on LifeTalk Kids. Here is what some are saying. From Washington: "Hi, we have just recently found your streaming website for kids. We LOVE it. There are many programs that we are familiar with and are so excited that we can listen to them on a daily basis!! Thank you!! My kids are enjoying it and listen several times each day." From Tennessee: "I love the children's programs! I really appreciate all you do! You help so many people." From Cayman Islands: "I have been listening to LifeTalk KIDS radio and I really love the programming."

We are thankful for you, our ministry partners and friends. We are thankful for your ongoing prayers. We are thankful for your faithful financial support. We are thankful you are using our free resources to share your faith in simple, easy ways and letting others know God loves them.

From Tennessee: "I give away the LifeTalk sharing cards to people that I witness to in various places. Have never had anyone refuse one. I don't have much in wealth, but I love to share about Jesus." From Vermont: "I use LifeTalk sharing cards when I shop, eat out and when mailing bill payments. I've given out so many, and most people brighten when they see them. One store worker gave me a hug after I gave her a card and said she has been looking for a Christian radio station in this area. Thank you for the wonderful work you are doing!"

If you haven't visited LifeTalk online recently you're in for a big surprise. Our web site has been updated and newly designed. I invite you to spend a few minutes and get reacquainted. Discover some new things and take advantage of all our available resources which include: Bible study guides, printed sharing cards and stickers, digital eCards, posters, bulletin inserts, presentation graphics, program cards, and podcasts. Go to: LifeTalk.net/resources. Our various resources are free and many listeners use them. One individual wrote: "Your sharing cards are very beautiful. They are so encouraging. Thank you so much!" From Florida: "I recently discovered your radio station and I'm enjoying it very much. Thank you for also sharing your Bible study resources with me."

The updating process is also true for our Mobile App. It too now includes all three streaming channels. Check it out and download the LifeTalk app, available in the app store and online at: LifeTalk.net. From Wyoming: "I am very grateful for LifeTalk Radio being available through an app. This was a Godsend because listening to Christian radio helped me stay positive while being so ill. I had COVID all of last year which affected all my muscles. I got so bad that I couldn't walk. Your station was a witness to all of the people I was in contact with in the hospital, rehab, and home care which is still ongoing. I usually listen to your station all day as I continue to get stronger. Thank you so much for LifeTalk."

We believe prayer makes a difference and we desire to pray for you. Please use the handy reply card and tell us how we can pray for you. Or tell us your prayer requests online at: LifeTalk.net/prayer-requests
