Connecting You With Christ

Spring 2023

Dear Partner,

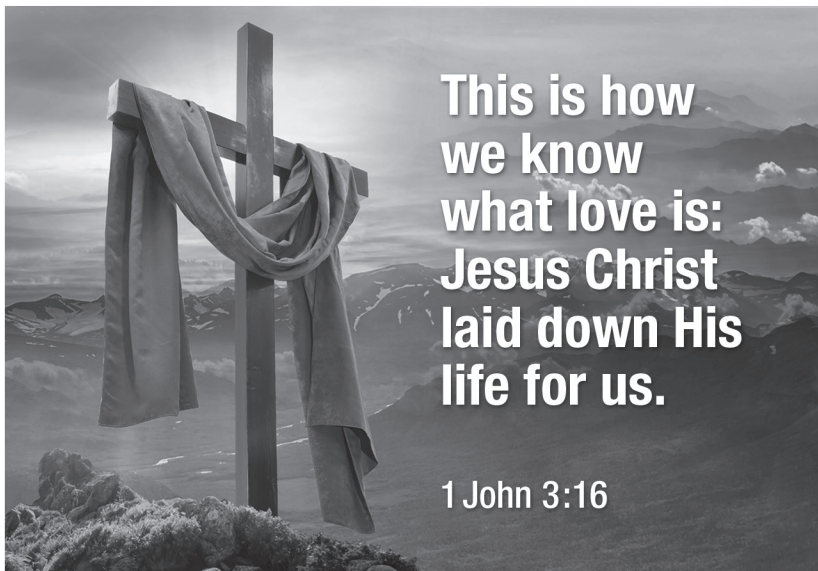

Sharing God's love is the primary reason for living. Jesus said all the commandments can be summarized in one word: LOVE. *Jesus said to him, "You shall love the LORD your God with all your heart, with all your soul, and with all your mind. This is the first and great commandment. And the second is like it: You shall love your neighbor as yourself."* Matthew 22:37-39

At another time Jesus reminded his followers of what is most important. *A new commandment I give to you, that you love one another; as I have loved you.* John 13:34

It can be hard to find love in this world where war, disasters, conflict and death are rampant. All the more reason to remind souls across this ravaged planet that God loves them. LifeTalk Radio exists to share the love of God and connect people with Christ. I believe you hold this mission dear as well. Hence you've chosen to partner with this radio ministry. Your support is vital and I thank you for your generosity. Together we must always continue to let others know that God is love.

In the opening chapter of one of my favorite books are these words: *"God is love" is written upon every opening bud, upon every spire of springing grass. The lovely birds making the air vocal with their happy songs, the delicately tinted flowers in their perfection perfuming the air, the lofty trees of the forest with their rich foliage of living green—all testify to the tender, fatherly care of our God and to His desire to make His children happy.* Steps to Christ, page 10.

God's love is evident all around me as I witness a new season. Daffodils are blooming and dogwood trees are exploding with pure white blossoms. Spring is a time of renewal and it's amazing to see God pick up His paintbrush and begin to color the world beautiful. But there are many souls who are not aware of God's love. They live in darkness, in pain and turmoil, surrounded by destruction or disease. How are these lonely and desperate individuals to learn of the love of God?

One way is through the radio ministry of LifeTalk Radio. Radio listening is still at an all time high. It's a powerful and effective way to reach people. However, another way is through your direct participation in letting others know they matter to God. By using our free sharing cards (both printed and digital eCards) you can remind your community and your circle of friends and neighbors that God cares.

Easter is a prime time to witness to others. Although the world promotes bunny rabbits and hunting painted eggs, many people
