

Dear Partner,

Are you ready for Easter? It's the season when many people stop and think about the death and resurrection of Christ. Easter is a great time to share your faith and the simplest way to do that is by using our free sharing cards. These small cards make a large impact in lifting the spirits of others.

Many in your community are hurting, living in loneliness, pain or emotional turmoil. A kind word and friendly gesture would be greatly appreciated. While on this earth Jesus calmed the storm for the disciples. Today, he can still calm a troubled life. But you are his hands. So hand someone an encouraging sharing card. Let them know God cares. Remind them Jesus died for them, personally.

Sharing cards are such a easy way to witness. It's a fantastic tool to let others know God loves them. Sharing cards provide encouragement and confirmation that each person matters to God. Some of our sharing cards include a special message, a Bible promise or a powerful Scripture. Other cards are designed for holidays like: Easter coming up on March 31, Mother's Day coming up May 12, and Memorial Day coming up May 27. In addition we have cards for other holidays, birthdays, graduation, anniversaries, get well and thank you. Each beautiful card you share will communicate a positive message. It's easy to be an influence for good by giving a sharing card to family, friends, neighbors and co-workers.

Be ready to brighten someone's day! Why not take a look at our FREE sharing cards and order a supply of printed sharing cards today at: [lifetalk.net/sharing-cards](http://lifetalk.net/sharing-cards). Or call and request cards

at 1-800-775-HOPE (4673). Then when the Spirit moves you to reach out, you'll be ready with a simple but effective way to be a blessing to others. We also have special cards and stickers designed for children. Order them at: [lifetalk.net/stickers](http://lifetalk.net/stickers)

### **National Day of Prayer**

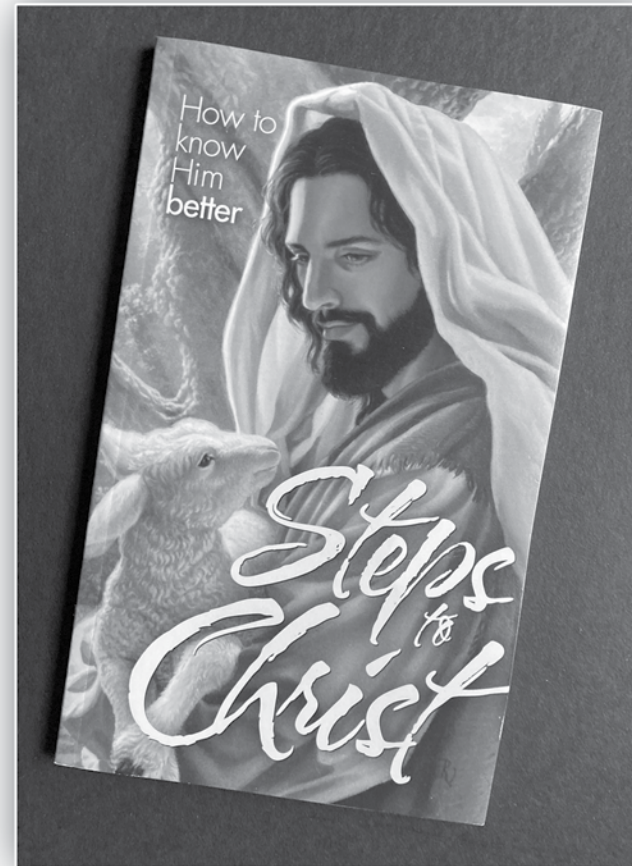

The National Day of Prayer is observed annually on the first Thursday in May. This year it's on May 2. People of many different faiths join in prayer on this day. We encourage you to participate. Pray for our nation and our leaders. Pray for your community, your neighbors, your friends and family.

At LifeTalk Radio we believe prayer makes a difference. This ministry could not thrive without prayer. We thank you for your prayers. We pray daily for our listeners. We pray for those on our prayer list. We pray for special needs and concerns. We desire to pray for you. If you have a need please let us know. Write your request on the enclosed reply card and mail it to us. Or call our prayer hotline: 1-800-775-HOPE (4673). Or share your request online at: [lifetalk.net/prayer](http://lifetalk.net/prayer)

Our founding fathers recognized the importance of prayer. In 1775 the Continental Congress asked the colonies to pray for wisdom in forming a new nation. In 1863 President Lincoln called for a day of prayer as this country was embattled in a devastating Civil War. Many other presidents have also called for national prayer. The National Day of Prayer was created by a joint resolution of the United States Congress in 1952.

Years later, Mrs. Shirley Dobson, chairman emeritus for the National Day of Prayer, said, *"We have lost many of our freedoms in America because we have been asleep. I feel if we do not become involved and support the annual National Day of Prayer, we could end up forfeiting this freedom, too."*

### **FREE Book Offer Project**

One of the most inspiring books to influence my personal spiritual growth is the little book, *Steps to Christ*. I've read it more than once and each time the words encourage and bless me. My spirit draws closer to heaven. Perhaps this has been your experience also if you've read the book. If you've never read *Steps to Christ*, I'd love to send you a free copy. Just check the box on the reply card and return it to us, or order it online by checking the appropriate box at: [lifetalk.net/contact](http://lifetalk.net/contact)

During 2024 our goal is to increase our evangelistic ministry using this book. Our target is to ship 10,000 books. Thus, we're busy creating an awareness campaign on the radio about this free book offer. In order to accomplish this goal we need to raise the necessary funds. Please help us share this wonderful book. If you would like to help pay it forward, I encourage you to use the enclosed reply card and send us your love gift or you can give online at: [lifetalk.net/donate](http://lifetalk.net/donate)

If you've been touched by the book, *Steps to Christ*, I urge you to help us make it available to a wider audience. Thank you so much for your continued support. I'm sure you've noticed that postage has gone up again. Mailing is the greatest cost of getting our free books and materials into the hands of others. Your participation with this evangelistic outreach is greatly appreciated. Thank you so much for helping to place the book, *Steps to Christ*, in the hands of those requesting it. LifeTalk Radio exists to connect people with Christ. Sharing this book is another way of reaching that mission.

Your servant in Christ,

John Geli  
Ministry Director, LifeTalk Radio®

P. S. Please consider helping us share *Steps to Christ* to those listeners wanting it. Often times a book project mails books to everyone in a specific city or zip code. Unfortunately often a free book ends up in the trash since it was not requested. In contrast, our project is targeted only at those asking for the book, thus providing for the greatest efficiency and effectiveness of your donations funding this evangelistic project. Please use the handy reply card and indicate your gift by including your credit card number or your check and drop it in the mail using the envelop provided. Your gift large or small makes a difference! If you are not already a regular donor, please consider making your gift automatically each month. Simply use the enclosed reply card and check the "sustaining partner" box. For your convenience, you can also give online at: [lifetalk.net/donate](http://lifetalk.net/donate). Thank you so much for your generosity and continued faithfulness!
